Why We Love It: It's a full-scale playground for grownups—there's a tree house, private pool with a water slide and massage pavilion. Secluded in a grove of dense vegetation and set just steps from a gloriously private beach, you can commune with nature by land or by sea.

Why We Love it: This easy, whitewashed villa takes its cues from the design of traditional Maldivian boathouses and brims with a wide ranging collection of artifacts from around the world. Not only will your personal House Master and VGC (Very Good Chap) meet you at the airport and stock the refrigerator with your preferred treats but a chef will prepare each meal according to your whims.
